ABOUT MY TEXT LISTS

The people on my lists that I will text your message to are members of Income Opportunity programs or they have responded to ads about Income Opportunities or they have expressed an interest in receiving ads about Income Opportunities or they have sent me information about an Income Opportunity. Therefore, the people on my lists are the best kind of people to contact with an offer for an Income Opportunity!

HOW IT WORKS

When I receive your order, I will take the information that you provide about your income opportunity and create a short text message. Then I will email or text it to you for approval before I start your Text Blast. If you have a text message that you want me to send then email or text it to me and I will edit it and send it back to you for approval. Questions??? Please call 256-297-1235 if you need more information.
