ABOUT MY LISTS

The people on my lists that I will send your message to are members of Income Opportunity programs or they have responded to ads about Income Opportunities or they have expressed an interest in receiving ads about Income Opportunities or they have sent me information about an Income Opportunity. Therefore, the people on my lists are the best kind of people to contact with an offer for an Income Opportunity!

HOW IT WORKS

When I receive your order, I will take the information that you provide about your income opportunity and create your ad copy.
