

EXPLODE YOUR INCOME

You're Days Away From Making Up To \$4,000 IN 7 DAYS

**Make Only One 5 Minute Phone Call To A Special Service
And Get Paid In As Little As 24 HOURS**

Hello this is Donovan Green. Thank you very much for requesting information on the all new 1-2-3 Power System and how you can earn up to \$4,000+ in 7 days without recruiting, joining mlm'/matrix's, building down lines or talking to a single person at all. I've been utilizing this system for the past 4 years to generate big bucks, real fast. Now, I'm going to share with you the exact secret to achieving the same I did. You will be doing the exact same thing that I've been doing each and every day. And no stone will be left unturned. If you follow my instructions exactly, you're going to make money, lots of it... and in 7 days or less!

The secret of my success consists of using an unconventional **3 STEP** method for bringing a quick cash infusion to a new home-business, then utilizing some of that cash to generate up to \$4000 every seven days.

STEP 1: GETTING IMMEDIATE CASH WHEN YOU'RE ALMOST BROKE!

Let's face it...in order for you to start and grow a new home business you need cash to help you promote a product or service. The problem is that most people do not have sufficient funds to really get things off the ground. Yes, they might spend \$30 to \$100 buying a business opportunity, but then the individual realizes that they have to spend another \$500 to \$1500 in marketing expenses. A few that manage to advertise find out very quickly, that those half baked marketing plans don't work and end up quitting before they start. Most plans don't pay you enough money up-front where it is needed the most, to help you cover your initial expenses quickly. These unfortunate souls spend a ton of money and time in recruiting a ton of people, using worthless advertising, filling up matrixes, etc..and all for what...to receive a \$50 check in the mail from the company. That's INSANE if you ask me.

Folks... all that has ENDED! I've come up with a simple but yet remarkable plan for turning as **little as \$30 to \$60 into as much as \$800** or more of working capital in a matter of a week or two. Then you place only a fraction of that starting capital into my other two steps, to get up to \$4000 or more every seven days. In my professional plan, you will not only receive a quick infusion of cash to your new business, but you will be able to utilize an extremely low cost and innovative marketing technique, to bring in the money you need right now with guaranteed success every time. I will show you step by step how with only a "**Shoe String Budget**" you can have gobs of cold hard cash delivered to your mailbox easily, effortlessly and without talking to anyone.

This little known and misunderstood STEP 1 of my 1-2-3 Power System can give you the cash you need for any new home business in no time flat. I have utilized this technique time and time again and it never has failed me. If I had only fifty lousy bucks and living in the middle of nowhere, this single step would get me out of financial suicide. It requires no selling, it's easy, it's fun, and best of all it can be done from your kitchen table the same day that you receive your package. Many people are surprised to see how simple this is but are earning a full time income just by doing it. YET, if you want a lot more. **PLEASE READ ON...**

STEP 2: The Power Of Internet and Fax Marketing

Getting \$1000 to \$4000 within 7 days. NO COMPUTER OR FAX NEEDED!

Once you receive your initial \$200 or \$800 from STEP 1, you can invest only \$50-\$200 into STEP 2 of the program. The rest you can keep or invest it into STEP 3.

IMPORTANT NOTE: The following step does not...I repeat...DOES NOT...require any computer or equipment of any kind. You will only need to make a quick phone call to an 800# that I will provide, once or twice a week. And if you have access to a fax machine it would be helpful but NOT NECESSARY. So if you know absolutely nothing about computers and live on a mountain somewhere, you are able to do this

The secret of STEP 2 consists of using a special NON SPAM email broadcasting and/or fax broadcasting service; but not just any broadcasting service. As some of you may already know if you've done any kind of email or fax broadcasting before, there are many unscrupulous companies out there. They take your money and then claim to have performed the service they were paid for when they actually haven't done a thing! Many of these companies don't even provide you with proof that they have sent out your broadcast. When they do finally send emails or faxes it is usually SPAM (unsolicited mail) which is not good and doesn't work. Unfortunately, many people continue to use these types of services, throwing more good money after bad. If you don't know the correct email or fax broadcasting companies to use, you will be fighting an uphill struggle.

However, once you do know the right broadcasting companies to use, then making a ton of money with email or fax broadcasting is just like taking candy from a baby! The key is finding companies that send emails or faxes to people that have OPT-IN for receiving information on what you are selling. It can be people from newsgroups, people that buy products from an internet site and are requesting information on other similar products etc..This equates to NON-SPAM EMALING or FAXING and BIG BUCKS FOR YOU. I have found just that and I will share with you my information.

Here's how this STEP 2 system works:

1. You call any of our recommended email or fax companies and order a broadcast..
2. You order a 25,000 to 100,000 email blast or 1000 to 2000 fax blast.
· **You should receive an average of 40-100 responses.**
3. Use my powerful system to **turn 10-30 or more of those 40-100 responses into orders.**
4. Collect your money! Then send your customers the package they have ordered.
5. Repeat this process as many times as you like! **Each order will earn you \$200!**
If you receive 20 orders this equates to \$200 X 20 orders = \$4,000 in 7 days!

Naturally you may do more. In most cases you will. **The least amount of orders I've received has been 6 orders in a week (during December – Christmas Time - \$1200) with the most being 40 orders from a 1000 to 2000 piece fax blast or a 25,000 to 100,000 NON-SPAM email blast!** Why does this system get such fantastic results when other programs are lucky just to get 2 or 3 orders? For, starters, by using the broadcasting services that I use, you can rest assured that your ad will be going to people who have not received this offer before. Secondly, the fax or email broadcasting services I use have fax numbers or emails addresses generated from sources that have not been advertised to death with hundreds of programs. So they are very receptive to this offer, especially when they see what I can provide. Combine all of these things together and success is guaranteed for anyone who uses this system!

I will provide you with the very special letter that you send to people that respond to the emails or faxes. Simply follow the simple directions that are included with the letter and start generating money! Please note that this special letter is designed to generate a lot of serious cash for you very quickly so please don't waste a minute putting it into use! REMEMBER: **You do not need a computer or fax machine.**

STEP 3: Getting Up To \$21,000 Month Mailing A Few Letters...Using A WHOLE NEW TWIST!

If you really want to skyrocket your income without spending a fortune then please read on. This is especially true for all those mail order junkies out there that think they are involved in a winning program. Most of these people spend a small fortune to get a meager ½ percent to 1 percent response rate mailing company flyers and only receiving a few lousy bucks a month..

Most mail order dealerships, MLM, Etc... don't work. There are three BIG reasons for this..

- 1) Most dealerships don't pay you enough up-front (PER SALE). If you only get \$10 to \$50 upfront then it takes over a 3% response rate to cover your marketing. Most sales letters from those company flyers, booklets etc. can barely pull a 1 percent.
- 2) Most dealerships don't pay you quickly enough. Companies tend to keep your money as much as 1 month after a sale has been made before they send your first pay check. What good is that?
- 3) Dealers mail to the wrong people. They send to an overworked and unproductive mailing list.

I am making a fortune by mailing only a few of my letters a week for the 1-2-3 Power System. How much you may ask? Well to be on the conservative side, I am getting an average of 1% to 3% order rate. In fact, I've never have received less than 1 %. I've even received as much as 5% order rate.

For those who need help with the math... Here are the figures...

200 Letters Mailed @ 1% to 3% response rate @ \$200 per order = YOUR EARNINGS **\$400 TO \$1200**
500 Letters Mailed @ 1% to 3% response rate @ \$200 per order = YOUR EARNINGS **\$1000 TO \$3000**
1000 Letters Mailed @ 1% to 3% response rate @ \$200 per order = YOUR EARNINGS **\$2000 TO \$6000**
2000 Letters Mailed @ 1% to 3% response rate @ \$200 per order = YOUR EARNINGS **\$4000 TO \$12000**

Get This...Even If You Only Get A ½ of A Percent Which Is Unlikely, When You Follow My Footsteps...You Will Still Make Killer Profits.

HERE IS THE TWIST: If you follow my simple instructions, you will able to send as many letters as you would like to without paying a dime out of your own pocket. You've read correctly.

- You will be able to use part of the money that you've gained from STEP 1 and utilize it to do your mailings. But pay attention... **I will also show you how to get free supplies for your mailings.** THIS LEVERAGE HAS TAKEN OUT ALL THE RISK OUT OF YOUR NEW MAIL-ORDER BUSINESS.

Every technique I use to get amazing response rates will be shown to you...including how to find the best types of mailing lists for this program, envelope tricks, how to avoid common mistakes etc...

“How To Use Classified Advertorials To Increase Your Sales” This is the same method I used to bring in **912 inquiries** to my voice mail box in a **two week** period with tiny classifieds. And I only spent \$159 to do it. This is no joke or hype. I almost went ballistic. I was selling a \$49.95 book. **I sold 237 books** that month for a **total of \$11,383.**.. NEW! EXCITING STUFF...FRESH OFF THE GRILL!

Even though this business has been running perfect since I started, recently I added some features to it that has increased my response rates by as much as 42%. **If you order WITHIN SEVEN DAYS, I will give you the following items and services (Sold Separately at \$695) for FREE!** With the “NEW ENHANCED VERSION” you will be able to:

- **Receive Payment The Same Day You Start:** Why wait a week for the orders to come to you by snail mail? With my Check-By-Fax Software you can convert faxed checks into real checks in less than 5 minutes. This is the system that phone or electric companies are using to take checks by phone or fax. It's totally awesome. Once the faxed orders start flooding in, you simply take their account information (acct. #, routing #, check # etc...), type it in into the fields the computer tells you to, then simply print to a special check paper (Cost 5 cents a sheet). PRESTO, you have a real check ready for deposit. _ (**Sold For \$295) YOURS FREE**
- **Accept Major Credit Cards Without Getting A Merchant Account:**
By accepting credit cards you can increase your 'order rate' by 30%. I've increased my orders dramatically just for doing this. The problem is that most people for some reason or another cannot obtain a merchant account. I will share with a few companies that will let you use their merchant account for only a small fee.. This way you can expect greater amount of orders to come your way while not initially investing in a \$1000 contract with a merchant account provider. **INVALUABLE**
- **I will Show You How To Fax Out A Letter In The Evening And Have Orders Come Pouring In At Night !** I will send you a FREE Fax Broadcasting Software valued at \$200 complete with step-by-step set of instructions showing you how to use it to set up your own fax-blasts in 5 minutes. This and the check-by-fax software will allow to receive payment in as little as 24hours from starting. Now that's what I call a FAST CASH FLOW. This is no bull either. It has been happening to others I gave these programs to, especially when promoting the 1-2-3 Power System **YOURS FREE**
- **Fax Broadcast To THOUSANDS For FREE** - I will share with you a service which will allow you to fax broadcast to thousands of eager prospects for FREE. You will only pay for the list, which usually runs from \$30 to \$90 per thousand. Just one sale and you are already making money. How is that for leverage? Now remember this program can get up to 5 to 20 orders or more for a 1000 fax-broadcast. Turn a \$30 to \$90 marketing expense into \$1000 to \$4000 in less than a week or two.
- **Free Marketing Rights To This Exact Same Offer!** I am getting a ton of orders just by making this simple change to the 1-2-3 POWER SYSTEM. I will allow you to use this exact same offer so you can succeed in your new business just like I am doing. You will undoubtedly get better results than other distributors out there. **GUARANTEED!**

In closing, let me say right now that I can't think of a reason for anyone not to order this system. The special bonuses alone make this program well worth you investment. Just by following ONE of my steps in my 1-2-3 Power System can earn you up to \$4000 a week and usually no less \$1000 a week. To be perfectly honest, it's probably going to be a whole lot more.

However, I'm purposely low keying this so that you don't think that this program is some type of get rich quick scheme. I wouldn't be surprised if you received \$7000 in a single week! This system is that good. I am sharing with you my complete 1-2-3 Power System. **You will receive the same tools, contact names and phone numbers and step by step marketing instructions that I use to obtain the same fantastic results that I've been getting.** There is absolutely no way that you can fail.
